MINISTRY OF HEALTH SEYCHELLES

PRESS RELEASE

TUESDAY 23RD FEBRUARY 2021

Update on COVID-19 cases

50 new cases of COVID-19 were recorded since the last update bringing the total number of cases recorded in Seychelles to 2514.

Of the new cases, 7 are foreigners and 43 are Seychellois.

76 cases, all Seychellois, met discharge criteria today and have been discharged into convalescence.

Everyone is advised to continue practice the different measures to stop the spread of COVID-19. Keep interactions to immediate households (the persons you live with) only and to not gather in crowds. Other measures to follow:

- Wear a mask in public places and where physical distancing cannot be maintained
- Practise hand hygiene regularly
- Avoid gatherings and crowds
• Avoid sharing objects
• Practise physical distancing of more than 1 metre

-END-

The Ministry of Health invites you to share this update. Members of the public experiencing symptoms of COVID-19 are advised to go to special stations at the following centres: Glacis, Baie Lazare & Mont Fleuri. Alternatively use the QR below to report your symptoms.
